Matrix

An AUSTRALIAN MADE upholstery fabric, Matrix is woven in hard wearing polyester and rated for Heavy Commercial applications.

Meeting the requirements of AS1530.3 and IMJ652 (16) flammability testing, Matrix is suitable for a broad range of commercial applications including education, office, task, hospitality and enclosed marine environments.

Presented with Studio Encore, a high performance coated fabric with similar performance credentials, the combination provides a stylish, functional and simple solution to your commercial furnishings needs!
