

Capri

Durability, versatility and style are critical features for commercial upholstery. You must be confident that the material looks good and is up to the challenge in terms of performance.

The Capri range is an iconic Australian brand that has enjoyed decades of success. Its performance characteristics combine perfectly with a broad colour palette in both the standard and pebble finishes.

Capri has been proven and trusted countless times when exposed to the harsh Australian elements. Its exceptional UV resistance will ensure outstanding performance in marine as well as indoor and outdoor applications.

Dimensions: 137cm wide, 30m roll

Weight: 615gsm (750gsm for Silver Effects)

Due to the limitations of desktop scanners and the relative inconsistencies of display monitors, the colours you see on your screen may not be a totally accurate reproduction of the actual product. We strive to make our colours as accurate as possible, however screen images are intended as a guide only and should not be regarded as absolutely correct. If you would like to see a sample of any product shown on our site, please contact your local branch.

Principal Plus

A hard wearing PVC upholstery product with an aesthetically appealing grain pattern, Principal Plus is a proven performer in many residential and commercial furniture applications. Now with the addition of Healthguard, Principal Plus has enhanced antimicrobial qualities, protecting your furniture against bacteria, spores, viruses and mould.

The choice of many leading Australian furniture manufacturers, it's ability to be moulded in all directions ensures a clean finish, even on circular seat applications.

Meeting the flammability requirements of AS1530.3 and with a new and exciting range of fashionable colours, Principal Plus creates a durable upholstery solution without compromising appearance!

Studio Encore

The ultimate upholstery vinyl which combines durability with the appeal of genuine leather. Long lasting quality has given Studio Encore the reputation for excellence in all commercial furniture applications!

The outstanding performance of Studio Encore makes it the best choice for use in high traffic areas, making it perfect for use in hotel, restaurants, hospitals and educational facilities!

Studio Encore is U.V. resistant which enables the vinyl to withstand extreme outdoor conditions. The vinyl fabric is also treated with a Protech coating, a formulation which helps guard against stains, and inhibits the growth of bacteria in healthcare environments.

SPECIFICATIONS:

Gauge: 1.0mm

Roll length: 30m

Roll Width: 137cm

COMPOSITION:

85% PVC

15% Polyester

ABRASIAN RESISTANCE:

Test method AS 2001.2.25

(12 kPa pressure)

Martindale 100,000+ rubs

(No significant wear)

F.R.STANDARDS:

Tested to Australian standards

(AS 1530.3)

Spread of flame: 0

Smoke developed: 5

I.M.O. Standards A. 652 (16)

F.A.S. - 25.853

*Fire test certificates available upon request

ANTI-MICROBIAL & ANTI-BACTERIAL:

Sanitised to inhibit growth of bacteria, mould & mildew.

PROTECH:

Guards against most stains, maintain surface appearance.

COLOUR FASTNESS:

Studio is suitable for indoor and outdoor use.

Light fastness rating 6-7

ISO 105-B02-1994

(Grey scale 1-5)

COLOUR FASTNESS TO BLEACH:

Tested to Australian standards

(AS 2001.4.11)

No change of colour rating 4-5

USAGE:

Suitable for heavy commercial upholstery, marine, healthcare & screens.

MAINTENANCE:

Most stains can be cleaned using warm soapy water, followed by clean water rinsing. Moderate scrubbing with a medium bristle brush will help loosen soiling from the embossed surface. Failure to follow cleaning instructions may permanently stain and reduce the life of the vinyl. For further cleaning information, please contact Austex Fabrics for a product cleaning guide.
